The Ohio Manufacturers' ASSOCIATION

ABOUT OMA POLICY COMMITTEE MEETINGS

OMA policy committee meetings provide opportunities for you to work with colleagues, subject matter experts, policymakers and government agency staff to gain critical updates and to set policy priorities for Ohio manufacturing.

OMA has five standing policy committees: **energy, environment, government affairs, safety & workers' compensation, and tax.**

Join Management Communities that Support Your Work

To make sure you receive committee meeting notices and materials in your inbox, go to My OMA to subscribe to the management communities that interest you.

Each policy committee meets in person in the OMA offices in Columbus, and several meetings are held regionally. These meetings can also be joined by phone. The format for the meeting is typically a two hour morning meeting, followed by an informal networking lunch, provided by the OMA.
