

Aging Workforce and Ergonomics

Mark your calendar for this 60-minute webinar

DATE: Thursday, May 6, 2021

TIME: 10 – 11 a.m.

According to NIOSH, older workers experience fewer workplace injuries than their younger coworkers. However, when accidents do occur, older workers often require more time to recover.

We'll talk about what preventative measures should be part of your workplace safety program as well as how employers and employees may benefit from a well-planned return-to-work program (RTW).

Key Topics

- Providing ergo-friendly work environments.
- Evaluating tasks for ergonomic stressors and match abilities.
- Considering health promotion and lifestyle interventions.
- Proactively managing accommodations and RTW.

Who should attend?

- ✓ Safety and EH&S managers
- ✓ Human resources and training managers
- ✓ Operations managers

Registration fee (for an unlimited number of participants at one phone/computer location)

1. OMA Workers' Compensation Services Members: **No charge**
2. All other OMA Members: \$29
