

What to Expect & How to Manage an OSHA Visit

Mark your calendar for this 60-minute webinar

DATE: Thursday, June 6, 2019

TIME: 10:00 – 11:00 a.m.

No one welcomes an Occupational Safety & Health Administration (OSHA) inspection, but preparation will give you confidence in your operations and a plan for responding.

Over recent years, there have been more than 1,200 annual OSHA inspections of Ohio manufacturers, with more than 100 enforcement cases having initial penalties greater than \$40,000.

Get ready to respond if an OSHA inspector knocks on your door. This webinar will help you prepare.

Key Topics

- OSHA's typical inspection priorities
- National and local emphasis programs
- Steps to prepare for the OSHA inspection process
- How to manage the inspection as it is underway
- What to do as soon as the inspector leaves your premises
- Your possible company responses to potential OSHA citations

Who should attend?

- ✓ Safety and EH&S managers
- ✓ Human resources managers
- ✓ Training managers
- ✓ Operations managers

Registration fee (for an unlimited number of participants at one phone/computer location)

1. OMA Workers' Compensation Services Members: **No charge**
2. All other OMA Members: **\$29**
3. Non-OMA Members: **\$39**

Your Safex Presenter

Nate Burgei is a Certified Industrial Hygienist (CIH) and Certified Safety Professional (CSP). At Safex, Nate's primary role is conducting gap assessments, evaluating employees' inhalation exposures, and facilitating health and safety training. His project experience includes steel mill and chemical manufacturing exposure assessments, and industrial and transportation facility gap assessments.

Nate is a member of the instructor team for the National Safety Council's *Fundamentals of Industrial Hygiene* and *Beyond Industrial Hygiene Fundamentals*, and teaches OSHA recordkeeping, silica and other health and safety courses at Safex.

Prior to joining Safex, Nate worked as a Compliance Safety and Health Officer for OSHA, and for the Office of Worker Safety and Health at the U.S. Department of Labor (DOL). Nate holds a B.S. in Biology from The Ohio State University.
