

Preventing Falls: Ladders, walking/working surfaces, and more

Mark your calendar for this 60-minute webinar

DATE: Thursday, June 3, 2021

TIME: 10 – 11 a.m.

Falls from heights and on the same level (a working surface) are among the leading causes of serious work-related injuries and deaths. In fact, deficiencies in fall protection are almost always among OSHA's top 10 violations.

OSHA's Walking-Working Surfaces and Personal Fall Protection Systems rule is intended to protect manufacturing workers. The rule contains both training and inspection requirements.

In this webinar, we'll address:

Key Topics

- Identifying at-risk tasks when working at heights and on ladders;
- Planning the tasks;
- Providing the right equipment such as railings, guarding, and personal fall arrest systems; and
- Training on safe procedures and proper equipment.

Who should attend?

- ✓ EH&S managers
- ✓ Human resources and training managers
- ✓ Operations and production managers

Registration fee (for an unlimited number of participants at one phone/computer location):

1. OMA Workers' Compensation Services Members: **No charge**
2. All other OMA Members: \$29
3. Non-OMA Members: **\$39**
