

Workforce Development Resources and Initiatives You Can't Miss

Mark your calendar for this 60-minute webinar
DATE: Thursday, September 23, 2021
TIME: 10 – 11 a.m.

It can be hard to know what programs and resources are available to support your workforce development strategy, but OMA's network of endorsed sector partnerships -- and our broader workforce community -- is designed to share best practices and make program replication easy.

In this webinar, we'll highlight some of the innovative and impactful initiatives being implemented around the state and some tips for launching similar efforts in your community.

From outreach events for K-12 students and educators to earn-and-learn programs that upskill manufacturing employees, OMA's endorsed sector partnerships are collaborating to solve some of the most pressing workforce challenges. Don't miss this showcase and celebration of the great work happening across Ohio.

Who should attend?

- ✓ Manufacturers interested in developing a pipeline of skilled workers
- ✓ Members of industry sector partnerships
- ✓ Workforce and education professionals
- ✓ Economic development professionals

Registration fee (for an unlimited number of participants at one phone/computer location)
