

## Incident Investigations: Getting to the Root Cause

**Mark your calendar for this  
60-minute webinar**

**DATE: Thursday, November 4, 2021**

**TIME: 10 – 11 a.m.**

Incident investigations are required for OSHA recordable incidents and highly advised for workers' compensation claims.

Are you maximizing the return on the time spent completing these incident investigations?

Are you getting to the true root cause?

Are you identifying and implementing preventative measures as a result?

### Key Topics

- The value of thorough incident investigations;
- Engaging employees in incident investigations;
- Conducting incident investigation training;
- Identifying root causes of incidents; and
- Tracking corrective actions to completion.

### Who should attend?

- ✓ EH&S managers
- ✓ Plant & operations managers
- ✓ Human resources managers
- ✓ Training department managers
