

About OMA Policy Committee Meetings ...

OMA policy committee meetings provide opportunities for you to work with colleagues, subject matter experts, policy makers and government agency staff to gain critical updates and to set policy priorities for Ohio manufacturing.

OMA has **five** standing policy committees: **energy, environment, government affairs, safety & workers' compensation, and tax.**

To make sure you receive committee meeting notices and materials in your inbox, go to [My OMA](#) to subscribe to the management communities that interest you.

Each policy committee meets in person in the OMA offices in Columbus a minimum of three times a year. These meetings can also be joined by phone. The format for the meeting is typically a two hour morning meeting, followed by an informal networking lunch, provided by the OMA.
