

HELPING MANUFACTURERS COMPETE

Our mission: To protect and grow Ohio manufacturing

Government plays a significant role in determining manufacturers' costs of doing business. The Ohio Manufacturers' Association is the organization through which Ohio manufacturers work with government to improve business conditions and drive down the cost of doing business in Ohio.

The Ohio Manufacturers' Association is also where Ohio manufacturers work together, and learn from one another, in key management disciplines of **energy, environment, government affairs, human resources, safety & workers' compensation**, and **tax & finance**, as well as in matters of manufacturing leadership.

Benefits of OMA membership

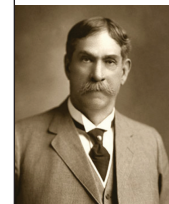

The OMA is a member-driven, member-funded organization offering:

- **Advocacy services** that create manufacturing-friendly public policy
- **Energy services** that help ensure economical & reliable energy
- **Safety & Workers' Compensation services** that control costs and reduce risk
- **Information services** that provide a direct connection with knowledge and experts
- **And many more services** and forums that support the work and learning of your staff

Membership in the OMA is company-wide, providing opportunities for everyone on your staff to benefit, designing their own membership experience at My OMA.
