

Hitting Reset: How a Fresh Plan Can Re-energize Your Partnership

Mark your calendar for this 60-minute webinar

DATE: Thursday, December 13, 2018

TIME: 10:00 – 11:00 a.m.

The Advanced Manufacturing Industry Partnership (AMIP) is the manufacturing arm of Partners for a Competitive Workforce, a partnership in the Ohio, Kentucky and Indiana tristate region focused on growing the skills of the area's current and future workforce.

AMIP includes 240 partners from manufacturing, education, workforce development, as well as chambers of commerce and economic development organizations.

AMIP has undertaken a strategic planning process over the last year to create a strategy for the next three years built on three pillars:

- Talent Pipeline
- Skills-Based Education Collaborative
- Industry Commitment

In this session you will hear about the experiences of the partnership over the last year and the lessons learned from its strategic planning initiative.

Who should attend?

- ✓ Manufacturers interested in developing a pipeline of skilled workers
- ✓ Members of industry sector partnerships
- ✓ Workforce and education professionals
- ✓ Economic development professionals
- ✓ Sector partnership “intermediaries”

Registration fee (for an unlimited number of participants at one phone/computer location)

Your Presenter

Debby L. Combs, MS, SPHR, SHRM-SCP, Director, Industry Partnerships, Partners for a Competitive Workforce - Debby has used her passion and expertise in resolving leadership, workforce and organizational development issues for over 25 years. As the Human Resources Manager, then the Director of Organizational Development and Strategic Initiatives, Debby worked for the Cincinnati/Northern Kentucky International Airport for 22 years. Debby also worked at Ohio National Financial Services for three years as Assistant Vice President leading the talent development and acquisition teams. Debby has a Master's degree in Organizational Leadership from the College of Mt. St. Joseph and received certifications through DePaul University in Change Management, Executive Coaching and Organizational Development.

In her current role, Debby addresses the skills gaps of the local labor pool. She helps set common goals, coordinate efforts, address gaps, advance policy, develop recruitment and retention strategies and align resources with key stakeholders. She works with employers, business leaders, educators, chambers of commerce, economic development, service providers, labor, community-based organizations, the workforce investment system and other community volunteers.
