AEP Ohio

AEP Increases gridSMART Rider (Case No. 22-473-EL-RDR)

Summary: AEP has increased its gridSMART Rider to \$15.57/month from \$14.77/month for non-residential customers.

Columbia Gas

Columbia Decreases Standard Choice Offer Rate (Case No. 89-8003-GA-TRF)

Summary: Columbia has decreased its SCO Rate to \$0.6836/ hundred cubic feet (CcF) from \$0.8518/CcF. This rate will apply to customer accounts provided sales service under Columbia's Small General Service and Large General Service Sales rate schedules.

Although the default rate is decreasing, customers should continue to check their competitive supplier contracts before choosing not to shop and switching to the SCO.
