AEP

Staff Recommends Approval of Updated Basic Transmission Cost Rider (BTCR) (Case No. 23-0057-EL-RDR)

Summary: After reviewing AEP's amended application with the corrected rate calculation (the error was discovered by OMAEG), Staff recommended approval of updated BTCR rates.

Dominion Gas

Dominion Decreases Default Standard Choice Offer (SCO) Rate

Summary: Based on recent competitive auctions, Dominion decreased its default service rate for natural gas to \$2.631/Mcf from \$3.289/Mcf. Although the default rate decreased, customers should continue to check their competitive supplier contracts before choosing not to shop and switching to the SCO.

FirstEnergy

Staff Recommends Approval of Updated Non-Market Based Services Rider (Rider NMB) (Case No 23-0051-EL-RDR.)

Summary: After reviewing FirstEnergy's amended application with a revised rate calculation for one of its forecasted expenses, Staff recommended approval of updated Rider NMB rates.
