## **AEP**

### **OMAEG Files Testimony for AEP's Fifth Electric Security Plan (ESP V) (Case Nos. 23-0023-EL-SSO, et al.)**

**Summary:** The OMAEG filed testimony urging the PUCO to reject AEP's ESP V proposal since it will significantly increase costs to manufacturers.

More specifically, the OMAEG advocated for a modified transmission billing pilot program that would allow all commercial or industrial customers to switch their transmission billing from monthly peak demand to the network service peak load (NSPL billing); to eliminate or reduce OVEC costs; to prohibit AEP from owning or operating competitive services and products; and to eliminate or reduce the proposed distribution investment rider.

## **Dominion Gas**

### **Dominion Increases Default Standard Choice Offer (SCO) Rate**

**Summary:** Based on recent competitive auctions, the default service rate for Dominion increased to \$2.571/Mcf from \$2.507/Mcf, effective June 13.
