FirstEnergy

The FirstEnergy Utilities Update Rider Rates (Case Nos. 89-6001-EL-TRF, et al.)

Summary: In accordance with the Stipulation approved in FirstEnergy's ESP V case, FirstEnergy will revise the rate design for each of the FirstEnergy Utility's Delivery Capital Recovery Rider (Rider DCR), effective October 1, 2024. The FirstEnergy Utilities will also update their Advanced Metering Infrastructure Rider (Rider AMI) rates, effective October 1, 2024, as follows:

The Cleveland Illuminating Company will:

- Revise the rate design for Rider DCR from a per kW billing demand charge to a percentage of base distribution charge. The charge will now be 43.3788% of the customer's distribution charges instead of a billing demand charge of \$1.2268/kW for General Service – Primary (GP), and a charge of 40.3639% of distribution charges instead of a billing demand charge of \$4.6974/kW for General Service – Secondary (GS); and
- Increase Rider AMI to \$165.327/month from \$138.639/month for GP, and to \$18.504/month from \$16.203/month for GS.

The Ohio Edison Company will:

- Revise the rate design for Rider DCR from a per kW billing demand charge to a percentage of base distribution charge. The charge will now be 30.0901% of the customer's distribution charges instead of a billing demand charge of \$2.4416/kW for GP, and a charge of 30.3460% of distribution charges instead of a billing demand charge of \$3.2420/kW for GS; and
- Increase Rider AMI to \$177.527/month from \$170.439/month for GP, and to \$9.259/month from \$8.930/month for GS.

The Toledo Edison Company will:

- Revise the rate design for Rider DCR from a per kW billing demand charge to a percentage of base distribution charge. The charge will now be 18.7149% of the customer's distribution charges instead of a billing demand charge of \$0.9447/kW for GP, and a charge of 18.0468% of distribution charges instead of a billing demand charge of \$2.7292/kW for GS; and

OMA ENERGY GROUP WEEKLY BRIEFING

- Increase Rider AMI to \$105.752/month from \$88.528/month for GP, and to \$11.067/month from \$9.259/month for GS.

AEP Ohio

Testimony Deadline Extended (Case No. 24-508-EL-ATA)

Summary: As requested by OMAEG and several other intervening parties, the administrative law judges extended the testimony due date by two weeks, which will allow intervening parties a more meaningful opportunity to create a robust record on AEP's proposed tariffs for the Public Utilities Commission of Ohio's consideration, which will help ensure that the decision protects all customers.
