

# Break the Stigma, Build a Stronger Workplace

With *Working Partners*® COO,  
**Jaime White**

What if your company culture could help save lives—and boost performance?

Join us on **May 29** for an eye-opening seminar with Jaime as she explores how workplace stigma around addiction and recovery impacts safety, morale, and retention—and what you can do about it.

Learn practical, evidence-based strategies to create a stigma-free, recovery-supportive workplace—from policy reform to people-first language—and walk away empowered to be a change-maker in your organization.
