OMA Lauds Uranium Plant Expansion

COLUMBUS, Ohio – The Ohio Manufacturers' Association today encourages continued support for competitive energy generation while celebrating the announced \$1.58 billion expansion of Centrus' uranium enrichment facility in Pike County, creating 300 permanent jobs and up to 1,000 construction jobs.

OMA President Ryan Augsburger said, "We welcome the investment of a supplier of fuel resources for nuclear power generation. As part of Ohio's fair and competitive generation marketplace, it will be a boon to have a source of enriched uranium right here in the Buckeye state."

###

The Ohio Manufacturers' Association is Ohio's largest statewide business association comprised solely of manufacturers. Established in 1910, the OMA's mission is to protect and grow Ohio manufacturing. It represents manufacturers of all sizes in every subsector of the industry. Manufacturing is Ohio's largest economic sector, employing approximately 690,000 Ohioans and contributing more than \$133 billion annually to the economy.
