

DETERMINE NECESSITY OF AN INDEPENDENT MEDICAL EXAM

WORKERS' COMPENSATION CLAIMS MANAGEMENT TOOLS FOR OHIO MANUFACTURERS

An independent medical exam (IME) is an objective evaluation conducted by an independent qualified medical specialist. An IME can support the claims management strategy and can also be used as evidence in your defense at an Industrial Commission hearing.

Your OMA Account Manager reviews claims on an ongoing basis for the necessity of IMEs and medical file reviews, including functional capacity evaluations.

We advise you when the fact pattern warrants your investment in independent medical evaluation. Upon your approval, we assist in coordinating the exam/review and will provide the physician with all pertinent claim documentation.

An independent medical exam is an objective evaluation conducted by an independent qualified specialist. When warranted, we can refer you to a preferred provider.
