

Sector partnerships are widely recognized as a proven strategy for meeting the employment and skill needs of workers and employers. Sector partnership members—under manufacturers’ leadership—collectively work to address priority issues, create a system of accountability, and strengthen the community.

CENTRAL

Central Ohio Manufacturing Partnership (COMP)

Website	N/A	
Contact	Shawn Hendrix • shendrix@nissenchemitec.com • 740-845-3591	
Service area	Delaware, Fairfield, Franklin, Knox, Licking, Logan, Madison, Marion, Morrow, Pickaway, Union	
Description	The mission of COMP is to create a connected system to source qualified talent for manufacturers. The vision for the organization is equated with what success looks like in 2020: having established alliances with identified groups engaged and at the table in partnership, increasing the number of qualified applicants available to manufacturers in the central Ohio region.	

NORTH CENTRAL

North Central Ohio Region Industry Manufacturers Workforce Alliance

Website	N/A
Contact	Frank Gibson • fjpgibson68@gmail.com • 419-294-5293
Service area	Crawford, Delaware, Hardin, Marion, Morrow, Union, Wyandot
Description	The North Central Ohio Region Industry Manufacturers Workforce Alliance works to convene, educate, and mobilize key stakeholders in the region to promote development of a skilled workforce. Manufacturers do not have enough skilled talent to fill jobs now and in the future. In order to be competitive, grow and thrive, these businesses need skilled talent. Our mission is “To advocate and promote careers in industry manufacturing.”

North Central Workforce Alliance of Ohio (NCWA)

Website	www.ncwaofohio.org
Contact	Erv Howard • ehoward@ncwaofohio.org • 419-908-8270 (cell) or 567-203-4500 (office)
Service area	Ashland, Holmes, Knox, Richland, Wayne
Description	The North Central Workforce Alliance of Ohio (NCWA) is a business driven partnership consisting of employers from North Central Ohio whose focus is to share resources and ideas to solve common problems in attracting, training, and retaining the qualified and dedicated employees needed to grow area businesses.

NORTH CENTRAL (continued)

Description	The West Central Ohio Manufacturing Partnership is a consortium of manufacturers, economic development, workforce development, and education providers serving the 10-county west central Ohio region.	

About OMA-Endorsed Partnerships

The OMA Workforce Leadership Committee has endorsed the marked Industry Sector Partnerships as they have met specific endorsement criteria. The criteria require a partnership to: 1) be industry-led, 2) be focused on a single industry (manufacturing), 3) have a regional, collaborative and systems-based approach, 4) be staffed by a neutral intermediary, 5) be dedicated to addressing workforce development issues, 6) be actively involved in the OMA Workforce Community, 7) have priorities that align with the OMA Workforce Roadmap and Key Process Indicators, and 8) have completed and submitted a supply/demand analysis and strategic plan.
