

SAFETY WEBINARS HELP MEMBERS OPERATE SAFELY—2022 Calendar

OMA safety webinars are FREE for members who purchase OMA Workers' Compensation Services. (All other members - \$29/webinar; non-members - \$39/webinar.)

Our subject matter expert is OMA Connections Partner Safex.

Register at [My OMA](#) or call us at (800) 662-4463 so we can send you everything you need to participate. We email webinar announcements each month. To receive webinar announcements, subscribe to Safety & Workers' Compensation under the [My Communities](#) tab in your [My OMA profile](#).

These 60-minute webinars begin at 10 a.m. on the scheduled dates. (Click the dates below to register.)

Thursday, January 13	Introduction to OSHA Recordkeeping: Let's get staff who may be unfamiliar up to date on OSHA recordkeeping requirements. Plus, we'll review some tricky cases!
Thursday, February 3	Current OSHA National and Regional Emphasis Programs: We'll cover the emphasis programs that currently affect Ohio manufacturers and review the most commonly cited OSHA violations.
Thursday, March 3	Leading Safety From the Middle of the Pack: Tips for team leaders, supervisors, and managers.
Thursday, April 7	Preventing Heat Stress: Updates on the newest OSHA National Emphasis Program and proposed standard.
Thursday, May 5	Machine Guarding 101: How to conduct a gap assessment.
Thursday, June 2	Safely Operating Material-Handling Equipment: What innovative technology is available to increase safety?
Thursday, July 14	Ergonomics 101: Recognizing risks and implementing an ergonomic committee.
Thursday, August 4	Crane, Hoist and Sling Safety: Training and inspection requirements to safely use these devices.
Thursday, September 1	Managing Air Quality: Managing air quality in the office and in the plant for better health.
Thursday, October 6	What to Know When Shipping and Receiving Hazardous Materials: We'll cover both Department of Transportation and OSHA requirements.
Thursday, November 3	Fall Protection on Trucks, Trailers, and Railcars.
Thursday, December 1	Measuring and Communicating Safety: Tactics and practices to reinforce a culture of safety.

Note: The Bureau of Workers' Compensation (BWC) requires employers that participate in a group experience rating or group retrospective rating plan, and that sustain a claim in the 'green period,' to complete two hours of safety training or complete BWC's online accident analysis form and associated accident analysis course. Each of these webinars qualifies for one-hour of BWC-mandated training.
