

## Active Violence Situation in the Workplace

**Mark your calendar for this  
60-minute webinar**

**DATE: Thursday, October 4, 2018**

**TIME: 10:00 – 11:00 a.m.**

OMA's safety consultant, Safex, has made arrangements with Lieutenant Paul Ohl, SWAT Platoon Commander with the Columbus Division of Police, to provide planning considerations for an active violence situation in the workplace.

The goal of this presentation is to increase the overall awareness of participants and prepare them to respond using best practices during incidents of active violence. Through the development of increased awareness, emergency action plans, and trained response protocols, active violence incidents can be prevented, mitigated or controlled, while increasing the efficiency of public safety response and, therefore, saving lives.

During this webinar, participants will become more aware of best practices during active violence incidents.

### Key Topics

- History of active violence incidents
- How attacks have changed
- Value of trained response protocols to mitigate violent incidents
- Suggestions to decrease victimization

### Who should attend?

- ✓ Safety and EH&S managers
- ✓ Plant & operations managers
- ✓ Human resources managers
- ✓ Training department managers
