

# OMA MEMBERSHIP

## THE VALUE OF INVESTMENT\*

\* Value of Investment (VOI) is defined as intangible assets to include advocacy, information, processes, networking, and the ability to collaborate.

VOI represents all the benefits of the OMA's initiatives, programs, products, events, and services.

In short, these are among the most important reasons why your business would benefit from OMA membership.

### Year-Round Advocacy & Policy Expertise

With its team of lobbyists, the OMA provides trusted advocacy services to advance the legislative and regulatory issues important to Ohio manufacturers and their bottom lines. The OMA gives you a strong voice at the Statehouse, the governor's office, state agencies, and governing bodies.

### A Venue for Manufacturers to Work Together

The OMA's management communities help manufacturers stay informed and collaborate on the issues that matter most to them, including energy, environment, government affairs, human resources, safety and workers' compensation, tax and finance, and workforce.

### OMA Energy Group

Have a voice in all critical PUCO cases and energy legislation, steer the OMA's legal resources, and get first-hand updates and weekly case summaries.

This is an OMA buy-up opportunity for larger energy users.

### Regular Updates & Communications

The weekly OMA Leadership Briefing is a roundup of the most relevant news and updates that can affect your business. OMA Daily News Clips provide a snapshot of news that matters, while our special alerts and updates help you manage through change.

### A Leader in Ohio's Workforce Development

The OMA and its partners have devoted tremendous resources to modernize workforce development. From establishing a statewide system of industry-led sector partnerships, to advocating for improved training and funding, to promoting "earn-and-learn" models, the OMA is leading Ohio's efforts to grow its manufacturing talent.

### Eligibility for OMA Workers' Comp Services

The OMA is the only workers' compensation third-party administrator that solely serves Ohio manufacturers. Our comprehensive system provides members with a dedicated account manager, personalized workers' compensation dashboard, and no-fee representation at Industrial Commission hearings.

### Webinars & Learning Events for Manufacturers

Your team will have access to the OMA's popular webinars and learning events, which share best practices, safety consulting, industry trends, and other insights for manufacturing leaders – all presented by subject-matter experts.

### Join forces with roughly

# 1,500

**other manufacturers that have operations in Ohio to improve our state's manufacturing climate and competitiveness.**

### Subject-Matter Expertise

Through the OMA's Connections Partner Program, we have sourced top subject-matter experts who understand the issues affecting manufacturers. Information is presented in meetings, webinars and via OMA communication services.

### Access to Special Events

Register for special OMA events, including the annual Ohio Manufacturers' Workforce Summit. Emailed invitations and an online schedule of events keep members updated.

## Be Part of the Community. Join the OMA!

The benefits of OMA membership are many. And there has never been a more important time for Ohio manufacturers to be engaged and informed.

OMA membership is company-wide, providing an opportunity for everyone on your team to participate in ways that best meet their needs and interests.

Manufacturers are the OMA's only constituency. Your ability to compete is our top concern.

For more on the benefits of OMA membership, contact Nick Miller at (614) 629-6816 or [nmiller@ohiomfg.com](mailto:nmiller@ohiomfg.com). Or visit [ohiomfg.com](http://ohiomfg.com) and click "Join OMA."

### Opportunities for Non-Manufacturers

When a non-manufacturing business joins the OMA as an associate member and participates in the Connections Partners program, it has a unique opportunity to demonstrate its expertise to manufacturers across Ohio. This insight is highlighted in OMA communications. [See the benefits and investment schedule](#) for non-manufacturing members. [Click here to join](#).
